Forwards list of tools held by Concerns under his Control.

The Residency requested sometime back that a census of machine tools in Mysore may be undertaken by us.

A letter calling for the required information was sent to the Government Director, Industrial Concerns also. He has now sent a list of tools held by the concerns under his control.

Details of tools held by other factories in Mysore have already been sent to the Director, Department of Supply, Govt. of India. The details now furnished will also be sent to him if approved. The tools held by the Government Electric Factory have already been intimated by the Director of Industries and Commerce and the list sent on to the Govt. of India. This will be omitted from the present list.

The Residency requested that two copies of such lists may be sent to them. This will also be done.

Submitted with two drafts for orders.
